Addendum

Article 3(d) of the Agreement on Import Licensing Procedures provides that "in the case of quotas allocated among supplying countries, the Party applying the restrictions shall promptly inform all other Parties having an interest in supplying the product concerned of the shares in the quota currently allocated, by quantity or value, to the various supplying countries and shall give public notice thereof".

At the meeting of the Committee held in April 1980, there was general agreement that delegations should indicate the way in which public notice is given (LIC/M/2, paragraphs 12 to 14).

The following signatories have notified that they do not maintain quotas allocated among supplying countries:
