Committee on Import Licensing

DERESTRICTION OF DOCUMENTS

Note by the Secretariat

1. At its second meeting held on 29 April 1980, the Committee agreed that:

"... a procedure based on customary GATT practice for the derestriction of documents would be followed, i.e. that working documents and minutes would never be derestricted and that the Secretariat should make a proposal annually regarding other documents to be derestricted at the end of the year and that these documents would be derestricted if no delegation objected to the proposal" (LIC/M/2, paragraph 23).

2. The following documents are being proposed for derestriction:

LIC/3/Add.39
LIC/3/Add.40
LIC/23
LIC/24

3. Any signatory wishing any of these documents, or part of a document, to remain restricted is invited to notify the Secretariat not later than 20 February 1995.
