ARRANGEMENT CONCERNANT LE COMMERCE INTERNATIONAL DES TEXTILES

Notification conformément à l'article 4, paragraphe 1

Modification de l'accord bilatéral entre les États-Unis et Haïti

Note du Président

La Mission des États-Unis a fait parvenir au secrétariat la notification ci-jointe relative à une modification qui a été apportée à l'accord bilatéral conclu entre les États-Unis et Haïti.¹

The Honorable Paul Wurth  
Ambassador  
Chairman, Textiles Surveillance Body  
G.A.T.T.  
154, rue de Lausanne  
CH-1202 Geneva

Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the Textiles Surveillance Body of the amendment of the cotton, wool and man-made fiber textile agreement between the Government of the United States of America and the Government of Haiti. The original bilateral agreement has been notified and circulated as COM.TEX/SB/497.

This particular amendment replaces the former specific limit of 992,708 dozen (4,765,000 square yards equivalent) for category 649 (man-made fiber brassiers) with a new specific limit of 1,168,819 dozen (5,610,331 sye) for the merged category 349/649 (cotton and man-made fiber brassiers). Whereas the previous limit on category 649 was accorded 7 percent growth, the level for merged category 349/649 will remain constant for each of the three agreement years.

By this amendment, the desire of Haiti for an immediate increase in quota for agreement year 1979-80 was balanced
by establishing a fixed amount for both cotton and man-made fiber brassiers for the life of the agreement.

Attached hereto are copies of the notes giving effect to this amendment.

Sincerely,

Robert E. Snepherd
Minister-Counselor

Enclosure
UNITED STATES AND HAITI
AMEND TEXTILE AGREEMENT

The United States and Haiti exchanged notes dated January 25, 1980 and March 3, 1980, respectively, to amend the bilateral textile agreement. The texts of the notes follow:

UNITED STATES NOTE

Port-au-Prince, January 25, 1980

His Excellency
Georges Salomon
Secretary of State for Foreign Affairs
Port-au-Prince

No. 18

Excellency:

I refer to the agreement between the United States of America and the Republic of Haiti relating to trade in cotton, wool, and man-made fiber textiles and textile products, with annexes, effected by exchange of notes August 17, 1979 in Port-au-Prince (the agreement) and to discussions between representatives of the Government of the United States of America and representatives of the Government of the Republic of Haiti held in Washington January 15 through 21, 1980.

Pursuant to the above discussions, I propose that the agreement be amended as follows:

1) Annex B of the agreement shall be amended.
to delete the specific limit on Category 649 and to replace it by a specific limit of 1,168,819 dozen (5,610,331 square yards equivalent) on merged category 349/649.

2) The first sentence of Paragraph 4 shall be deleted and replaced by the following two sentences: "For the second and third agreement years each specific limit, except the specific limit for merged Category 349/649, shall be increased by seven percent annually. The specific limit for merged Category 349/649 shall be the same in the second and third agreement years as it is in the first agreement year."

If the foregoing proposal is acceptable to the Government of Haiti, this note and your note of confirmation will constitute an amendment to the agreement, effective on the date of your confirmation.

Accept, Excellency, the renewed assurances of my highest consideration.

/S/ William B. Jones
Ambassador
Mr. Ambassador:

I have the honor to acknowledge receipt of your letter dated January 18, 1980 which reads as follows:

"I refer to the agreement between the United States of America and the Republic of Haiti relating to trade in cotton, wool, and man-made fiber textiles and textile products, with annexes, effected by exchange of notes August 17, 1979 in Port-au-Prince and to discussions between representatives of the Government of the United States of America and those of the Republic of Haiti held in Washington January 14 through 21, 1980.

"Pursuant to the above discussions, I propose that the agreement be amended as follows:

"1) Annex B of the agreement shall be amended to delete the specific limit on Category 649 and to replace it by a specific limit of 1,168,819 dozen (5,610,331 square yards equivalent) on merged category 349/649."
2) The first sentence of Paragraph 4 shall be deleted and replaced by the following two sentences: "For the second and third agreement years each specific limit, except the specific limit for merged Category 349/649, shall be increased by seven percent annually.

"The specific limit for merged category 349/649 shall be the same in the second and third agreement year as it is in the first agreement year."

"If the foregoing proposal is acceptable to the Government of Haiti, this note and your note of confirmation will constitute an amendment to the agreement, effective on the date of your confirmation."

I am pleased to inform you that the Haitian Government agrees to the above mentioned proposals.

The note of the American Embassy and the note of confirmation of the Department of Foreign Affairs expressing the approval of the Haitian Government constitute then an amendment to the Agreement signed by both countries.

I take this opportunity to renew, Mr. Ambassador, the assurances of my highest consideration.
