NEGOCIATIONS AU TITRE DE L'ARTICLE XXVIII

Liste XXII - Danemark

La délégation danoise a fait tenir au secrétariat la communication ci-après:

"Le 30 décembre 1960, par notification adressée au secrétariat du GATT, le gouvernement danois s'est réservé le droit, conformément à l'article XXVIII, paragraphe 5, de l'Accord général, de modifier la Liste XXII au cours de la période triennale commençant le 1er janvier 1961 (cf. GATT L/1407 du 5 janvier 1961). Me référant à cette notification, j'ai l'honneur de vous faire savoir que le gouvernement danois se propose d'engager des négociations en vue de modifier un certain nombre de positions tarifaires de la Liste XXII. Les positions visées sont énumérées dans la liste ci-jointe¹. Un tableau contenant des renseignements statistiques sur les importations des produits en cause vous sera adressé prochainement.

"Les modifications sont rendues nécessaires par la revision projetée de la loi sur les douanes. Le projet de loi contenant les amendements vient d'être déposé sur le Bureau du Parlement danois. Il est possible qu'il subisse certaines modifications au cours des débats parlementaires et il faudra peut-être, en conséquence, apporter quelques changements à la liste précitée des modifications à la Liste XXII.

"Je vous prie de bien vouloir faire distribuer la présente lettre à toutes les parties contractantes."

¹ Chaque partie contractante recevra un seul exemplaire de cette liste.

ARTICLE XXVIII NEGOTIATIONS

Schedule XXII - Denmark

The following communication has been received from the Danish delegation:

"On 30 December 1960 the Danish Government in a notification to the GATT secretariat reserved its right under paragraph 5 of Article XXVIII of the General Agreement to modify Schedule XXII during the three year period commencing on 1 January 1961, cf. GATT L/1407 of 5 January 1961. With reference to this notification I have the honour to inform you that the Danish Government intends to enter into negotiations for modifications of a certain number of tariff items in Schedule XXII. A list of the items in question is enclosed.¹ A table containing statistical information on the imports of the goods concerned will be submitted shortly.

"The modifications are necessitated by a proposed revision of the Danish Customs Act. The bill containing the amendments has just been laid before the Danish Parliament. The bill may undergo certain changes in the course of the debate in the Parliament, and it may therefore be necessary to adapt the above list of modifications in Schedule XXII accordingly.

"You are requested kindly to circulate this letter to all contracting parties."

¹One copy only of this list is distributed to each contracting party.

December 1961.
