## ARTICLE XXVIII NEGOTIATIONS

### Schedule XII - India

#### Addendum

The permanent mission of India has transmitted to the secretariat the attached import statistics for three years in respect of GATT bound items the rates of duty of which have been raised upwards. It will be observed that the import figures relate to countries which have either initial negotiating rights or which are the principal suppliers. In case any other contracting party wishes to have import statistics on any particular items of interest to them, the mission would have no objection to furnishing them with the information on a country to country basis.

## NEGOCIATIONS AU TITRE DE L'ARTICLE XXVIII

### Liste XII - Inde

#### Addendum

La Mission permanente de l'Inde a communiqué au secrétariat les statistiques d'importation ci-jointes qui portent sur trois années et qui concernent des produits consolidés dans le cadre de l'Accord général et pour lesquels les taux de droits ont été relevés. Il est à noter que ces statistiques se rapportent à des pays qui ont un droit de négociateur initial ou un intérêt de principal fournisseur. Si une partie contractante désire obtenir des statistiques d'importation concernant tel ou tel produit qui présente un intérêt pour elle, la Mission n'aura aucune objection à les lui fournir pays par pays.
