MARGIN OF PREFERENCE:

For purposes of Article I and Article II of this Agreement, the margin of preference under a tariff classification properly applicable to any product shall not be increased above the level actually in existence on 1 January 1973, or as subsequently negotiated;

provided that in certain circumstances the introduction of a 10% margin in lieu of a previously existing 7.5% margin shall be permissible, and

provided further that this concession shall not preclude adjustments of a minor order necessary to achieve simplified or reasonable tariff drafting, when such adjustments shall result in a margin no higher than 10%.
