ARRANGEMENT CONCERNANT LE COMMERCE INTERNATIONAL DES TEXTILES

Renseignements communiqués par la Suède

Note du Président

Les membres de l'OST trouveront ci-joint copie d'une lettre de la délégation suédoise au sujet de ses consultations avec l'Inde concernant les restrictions que la Suède applique à l'importation des chemisiers et des chemises.

Mr. P Würth, Ambassador
Chairman
Textiles Surveillance Body
GATT
Geneva

My dear Ambassador,

As you will recall, the Textiles Surveillance Body has recommended India and Sweden to have further consultations on the restraints on imports into Sweden of blouses and shirts, and to report to the Textiles Surveillance Body before July 1, 1977.

However, it has not yet been possible, in spite of efforts in that direction, to find a mutually acceptable time for such consultations. It is expected that the two parties will meet in the near future. As soon as the discussions have taken place a report will be submitted to the Textiles Surveillance Body.

Yours sincerely,

Carl De Geer
Permanent Representative
