The Honorable
Ambassador Paul Wurth
Chairman,
Textiles Surveillance Body

Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed by my government to inform the TSB of the conclusion of a new bilateral textile agreement between the Government of the United States of America and the Government of Jamaica. The new agreement, which has effect from December 20, 1977, is essentially a consultation agreement.

The United States previously had a bilateral agreement with Jamaica which was notified under the provisions of Art 2 and subsequently amended, said amendment having been notified and circulated as COM.TEX/SB/75 of 7 April 1975. This agreement expired March 31, 1975 and was not renewed.

The new agreement provides for a consultative arrangement between the parties which is fully consistent with the provisions and objectives of the Arrangement. As will be noted, the agreement has no specific term.

Attached hereto is a copy of State Department Press Release No. 6 of January 6, 1978 setting forth the full texts of Note exchanges which gave effect to the agreement.

Sincerely,

Harry M. Phelan, Jr.
Minister-Counselor

No. 6

UNITED STATES AND JAMAICA SIGN TEXTILE AGREEMENT

The United States and Jamaica exchanged notes on November 22, 1977 and December 20, 1977 respectively, to effect a new bilateral agreement concerning trade in textiles and textile products between the two countries. The texts of the notes follow:

UNITED STATES NOTE

November 22, 1977

His Excellency
Alfred A. Rattray
Ambassador of Jamaica

Excellency:

I have the honor to refer to the Arrangement Regarding International Trade in Textiles done at Geneva on December 10, 1973, hereinafter referred to as the Arrangement. I also refer to the discussions between our two Governments in Jamaica on April 14, and 15, 1976 concerning exports of textiles and textile products from Jamaica to the United States. As a result of those discussions and in conformity with Articles 2, 4 and 6 of the Arrangement, I wish to propose the following agreement relating to trade in textiles between Jamaica and the United States.

1. Either Government may at any time request consultations with the other regarding their mutual textile trade.

2. Each Government agrees to respond promptly to requests by the other for consultations and to participate in and conclude such consultations within 60 days of the request, unless the two Governments agree otherwise.

3. In any consultations that may arise, the Government of the United States of America will recognize Jamaica's position as a traditional supplier of textiles and textile products to the United States market and, in addition, will seek to formulate and implement measures which will be in accordance with the principles of the Arrangement and which will enable the Jamaican Textile Industry to implement its plans for expansion of production

and exports to the United States of America in a manner that does not cause or threaten to cause market disruption in the United States of America.

4. If the Government of the United States of America considers that imports from Jamaica in any cotton or man-made fiber category are increasing so as to cause a risk in the United States of market disruption, bearing in mind Annex A of the Arrangement, the Government of the United States of America may request consultations with the Government of Jamaica.

5. When the Government of the United States of America requests such consultations, the Government of Jamaica shall meet promptly with the Government of the United States of America, to work out a mutually satisfactory solution. The consultations shall be concluded within 60 days from the date of the request for such consultations unless the two Governments agree otherwise.

6. During the course of the consultations the Government of Jamaica will limit its exports to the United States in the category or categories affected to a monthly rate equivalent to 120 percent of the average monthly rate of the previous twelve months.

7. Consultations under paragraph 4 will not be requested for any category when imports from Jamaica in such category are at annual levels less than 1,000,000 square yards equivalent for each category other than apparel and 700,000 square yards equivalent for each apparel category.

8. If the two Governments are not able to agree on the level of trade in a particular category, the Government of Jamaica will during the 12 months following the request for consultations restrain its exports to 120 percent of their level for the 12 months preceding the request. The Government of the United States agrees to this provision in the spirit of Article 6, paragraph 3 of the Multifiber Arrangement.

9. In respect to wool textile products, the Government of Jamaica agrees to consult with the Government of the United States of America if it desires to export more than 100,000 square yards annually in any category.

10. During any consultations either Government may request consideration of a mutually acceptable agreement providing quantitative levels covering all or part of their textile trade.

If the foregoing proposal is acceptable to your Government, this note and your Excellency's note of acceptance on behalf of the Government of Jamaica shall constitute an agreement between our two Governments effective on the date of your note of acceptance.

Accept, Excellency, the renewed assurances of my highest consideration.

For the Secretary of State:

/S/ William Barraclough
