UNITED STATES MISSION TO INTERNATIONAL ORGANIZATIONS GENEVA, SWITZERLAND

February 15, 1978

The Honorable
Ambassador Paul Wurth
Chairman, Textiles Surveillance Body
Centre William Rappard
154, rue de Lausanne
CH-1211 Geneve 21

Dear Mr. Chairman:

Pursuant to the provisions of paragraph 4 of Article 4 of the Arrangement Regarding International Trade in Textiles, I am instructed to inform the TSB of the amendment of the bilateral textile agreement of June 26, 1975, as amended, between the Government of the United States of America and the Government of the Republic of Korea. The original agreement was notified to the TSB and subsequently circulated as COM.TEX/SB/126 of 24 October 1975.

The purpose of the amendment was to extend the life of the old agreement (which expired September 30, 1977) through December 31, 1977 in order to allow more time for the negotiation of a mutually acceptable new bilateral agreement. The amendment also provides for pro-rata adjustment of all limitations in the old agreement to take into account the conversion of the last agreement year from a twelve-month period to a fifteen-month period.

Notes effecting a provisional extension of the agreement were exchanged (two exchanges) on September 27, 1977 and, following completion of the Korean ratification procedure, a further exchange was made on November 3, 1977 giving de jure effect to the extension.

Attached hereto are State Department Press Releases Nos. 440 of September 29, 1977 and 507 of November 9, 1977 containing full texts of the Note exchanges described above.

Sincerely,

Harry M. Phelan, Jr. Minister Counselor

His Excellency Yong Shik Kim Ambassador of Korea

Excellency:

DET ER BERRES BEST KLING EIN GESTERFE EIN DE FERSTERFER

I have the honor to refer to the Arrangement Regarding International Trade in Textiles (hereinafter referred to as the Arrangement), done in Geneva on December 20, 1973.

I also refer to the Bilateral Agreement of June 26, 1975 as amended (hereinafter referred to as the Agreement), relating to trade in cotton, wool and man-made fiber textiles between the Republic of Korea and the United States of America, and to discussions between representatives of the Governments of the Republic of Korea and the United States of America held in Washington from July 26 to August 4, 1977, and in Seoul from August 23 to August 30, 1977, concerning the extension of the Agreement. As a result of these discussions, and in conformity with Article 4 of the Arrangement, I propose on behalf of my Government that the Agreement be amended as follows:

1. The Agreement is extended to cover the period October 1, 1977 through December 31, 1977.

2. The agreement year covering the period October 1, 1976 through September 30, 1977 under the Agreement is extended to include the period from October 1, 1976 through December 31, 1977, with the aggregate limit, the group limits and each specific limit applicable during the

agreement year covering the period October 1, 1976 to December 31, 1977 being equal to 125 percent of the corresponding limit applicable during the agreement year covering the period October 1, 1976 to September 30, 1977, plus an amount equal to the product of one-fourth of the corresponding limit for the agreement year covering the period from October 1, 1976 to September 30, 1977 multiplied by the rate of growth applicable to such limit between the second and third agreement years. The difference between the amounts resulting from the application of 6.75 percent annual growth to the aggregate limit and 1 percent annual growth to the Group III limit shall be divided pro rata among the group limits for Group I and II.

- 3. For the agreement year covering the period from October 1, 1976 to December 31, 1977, the consultation levels set in paragraph 8 (a) and in Annex B of the Agreement shall be 125 percent of the corresponding levels for the agreement year covering the period October 1, 1976 to September 30, 1977.
- 4. To avoid distortion of existing trade patterns, the aggregate, group, and specific limits for the agreement year covering the period October 1, 1976 to December 31, 1977 may each, after mutually satisfactory completion of consultations, be exceeded by not more than 6 percent of the sum of the corresponding limit applicable during the agreement year covering the period October 1, 1976 to September 30, 1977 plus an amount equal to growth on one-fourth of such limit at the rate of growth applicable to such limit between the second and third agreement years, provided that an equivalent reduction is made to the appropriate applicable limits during the first agreement year of the Bilateral Textile Restraint Agreement beginning January 1, 1978.

If this proposal is acceptable to the Government of the Republic of Korea, this note and your Excellency's note of acceptance on behalf of the Government of the Republic of Korea shall constitute an agreement between our two Governments, amending the Agreement.

Accept, Excellency, the renewed assurances of my highest consideration.
