Dear Mr. Ambassador,

This is to inform you that an informal understanding has been reached between Macao and Sweden on a provisional prolongation of their previous agreement on trade in textiles (see document COM.TEX/SB/367), for a six months period ending June 30, 1979. The reasons for this are heavy negotiation schedules and difficulties to find an early date for consultations, which would suit both parties. The levels of the agreement will be applied on a pro rata basis.

A similar arrangement has been arrived at with the Republic of Korea (see document COM.TEX/SB/381), for a three months period ending May 31, 1979.

When definite agreements to supersede these provisional prolongations have been concluded you will of course be notified accordingly.

Yours sincerely,

Carl De Geer
Permanent Representative
