Dear Mr Ambassador,

In connection with the European Economic Community's Agreement on trade in textile products with the Kingdom of Thailand negotiated under Article 4 of the Arrangement and signed on 21.7.1979, I have to inform you of the following :

During the course of 1978 imports of woven fabrics of regenerated textile fibres from Thailand into Italy exceeded 180 tons, being the level at which the Community can ask for a restraint measure in respect of the region of the Community concerned under the provisions of Article 6 of the Agreement. The Community having deemed that there was real risk of market disruption in this case; the two sides held consultations on 6 April 1979 in pursuance of Article 13 of the Agreement. As a result of these consultations, and in conformity with the provisions of the Agreement, Thailand agreed to limit exports to Italy as follows :

Category	Unit	Member State	1979	1980	1981	1982
37	Tons	Italy	2.200	2.250	2.350	2.450

These new limits contained in the agreed minute annexed to this letter, are herewith communicated under Article 4, Paragraph 4 of the Arrangement, as a modification to the Community's Agreement with Thailand.

Yours sincerely,

AGREED MINUTE

1. The delegations of the Kingdom of Thailand and of the European Economic Community met on 6 April 1979 in Brussels for consultations in accordance with Article 6 of the Agreement on trade in textiles between Thailand and the Community initialled on 1 December 1977 and applied de facto from 1 January 1978.

2. As a result of these consultations, Thailand agreed to limit its exports of woven fabrics of regenerated textile fibres (Category 37, Nimexe positions 56.07-37 to 87) to Italy to the following levels :

1979	2.200 tons
------	------------

(exceptionally, a supplementary quantity of 600 tons for 1979 only has been agreed)

1980	2.250 tons
------	------------

1981	2.350 tons
------	------------

1982	2.450 tons
------	------------

Due to a considerable increase of the base level for 1979, the two parties accepted a lower growth as compared to the provisions of Protocol C of Agreement, for the years 1980 to 1982. This shall however not be considered a precedent for future consultations between Thailand and the Community under the bilateral Agreement.

3. It is the understanding of both parties that the provisions of the Agreement which concern exports of products subject to quantitative limits established in Annex II, in particular the licence procedures set out in Protocol 1, shall apply to exports of woven fabrics of regenerated textile fibres from Thailand to Italy from 1 May 1979. The Italian authorities shall accept all shipments, within the above mentioned quota for 1978, leaving Thailand without export licences before 1 May 1979.
