"Basic Instruments and Selected Documents (BISD) is an annual publication compiling basic information on the WTO and key WTO documents from a given calendar year.

The initial sections list WTO Members and observers, and the Chairpersons of WTO bodies for the year in question. The sections in the middle reproduce key WTO legal instruments, decisions and reports issued by WTO bodies in the relevant calendar year. The final sections list other WTO decisions, reports and selected WTO documents for the year in question, by title and document symbol, without reproducing the text.

Hyperlinks in the electronic version allow readers direct access to the relevant WTO documents. Editorial notes are marked with a ¶.
