FORMAT FOR NOTIFICATION

Note by the Secretariat

1. At its third meeting on 19 June 1980, the Committee recommended a format to be used as a basis for notifications, it being understood that the Committee would review the operation of this recommendation during the annual review due to take place in the autumn of this year (see TBT/M/3, item C of the agenda).
2. In order to facilitate the work of delegations in submitting their notifications to the secretariat for circulation according to the recommended format, it is suggested that the notification form appearing in the Annex to this note might be used by them for this purpose. The secretariat would be in a position to supply delegations with additional copies of the form.
