2. As to the export subsidies for oil seed, vegetable oil, oil cake, sugar, cotton and tea, China commits itself to make a reduction of 36% by value and 21% by volume. This is beyond the 24% cut by value and 14% cut by volume as required by the *Agreement on Agriculture* for developing countries;
3. China commits itself to eliminate export subsidies for wheat, milk powder, other milk products, beef, goat/sheep, eggs, pork, poultry meat, live animal, wine, fruits, canned fruits, vegetable and cigarettes.
4. Implementation period for China's reduction commitments is six years. The first year of implementation starts from the date of entry into force of the Protocol, and the reduction will be carried out in equal installment every year for six years.
